

NOMINEE FOR VICE CHAIRMAN POSITION

- I. **Name** Dr Peter Kamunyo
- II. **Organization** MedSource Group Ltd.
- III. **Professional Background:** Dr Kamunyo serves as Chief Executive Officer of MedSource Group Limited, the first group purchasing organization (GPO) for healthcare service providers in Kenya. He has also held executive management roles within local and international healthcare institutions including GlaxoSmithKline, as the country commercial director, Vaccines & Public Institutions Head, General Manager Healthcare Division for Aon Insurance Brokers, where he also led the Africa Healthcare Practice Group, General Manager Resolution Insurance's East Africa where he developed strategy and managed operations; implementing the claims, case management, information and communication technology departments and General Manager Medical Services at Avenue Healthcare.
He serves as Director on the boards of the East African Healthcare Federation and the Kenya Healthcare Federation.
He holds a master of science in public health from the University of London, a bachelor of medicine and surgery and a postgraduate diploma in STI and HIV management, both from the University of Nairobi. He is also a 2011 Capacity Building for Effective Healthcare (CBEH) Fellow. He holds a certificate of proficiency in insurance.
- IV. **What are your key strengths for this position?**
Key strengths include strategy, health systems management, thought leadership and innovation in supply and demand side interventions including service delivery, supply chain, healthcare financing and technology with an overarching goal to build system efficiency, contain costs and enhance healthcare quality.
Dr Kamunyo has multifaceted exposure in the broader eco-system including direct service provision, leadership and management within healthcare, health insurance and pharmaceutical industries.
- V. **What contribution will you bring into Kenya Healthcare Federation?**
I am committed to working on initiatives that will strengthen Kenya's healthcare system. I will support our Chairman and Federation members in driving KHF's mission and vision. I will align with the National Health agenda and ensure the role of the private sector is amplified for its contribution to achieving Affordable Healthcare for All. I will humbly serve our healthcare community and will be dedicated to building partnerships and collaborating in designing and advocating for innovative and transformative solutions to address the needs of our sector.
