

NOMINEE FOR VICE CHAIRMAN POSITION

- I. Name Dr Wala Elizabeth
- II. Organization Amref Health Africa
- III. Professional Background _____

I graduated from the University of Nairobi with an MBChB in 2002. I hold a Master of Science in Infectious Diseases from the University of London (LSHTM) and sat for the Diploma in Pharmaceutical Medicine from the Faculty of Pharmaceutical Medicine in the UK. I have more than 15 years' experience spanning the fields of health systems strengthening, health care policies, pharmaceutical medicine and clinical research and clinical medicine.

I currently serve as the Programme Director, Health System Strengthening (HSS), Amref Health Africa in Kenya where I design and implement activities to improve the technical, operational and managerial capacities of the national health system to provide quality care to the public in a sustainable manner. I also provide leadership and operation management to steer growth of the programme.

- I. What are your key strengths for this position?

I am a visionary health manager providing strategic project management expertise in humanitarian and corporate sectors across Africa. I am a servant leader, credited for successfully energizing teams to achieve program goals and cultivating successful linkages with national and regional teams.

I am known and respected for program refinements and building credibility and partnerships across cultures and with leading national and international private, public, and non-profit health sector stakeholders. I have participated in the development of key national and international policies and guidelines across 36 African countries. My financial management acumen is top notch, with management of up to KES 2.7 billion in organizational assets across my various employments.

I have served as organization representative at key national and international forums, conferences, technical working groups, and advisory boards.

I have received the following awards:
